Wilfred Ayotte	Malcolm MacKay
	Fred Brown
Robert Keating	

*Alternates*

David Wyre	Daniel Barry
D. Kenneth Chapman	

## THE STATE OF NEW HAMPSHIRE

---

THE POLLS WILL BE OPEN FROM 9:00 A.M. to 6:00 P.M.

*To the Inhabitants of the Town of Woodstock in the County of Grafton in said State, qualified to vote in Town Affairs:*

You are hereby notified to meet at the Woodstock Town Hall in said Woodstock on Tuesday, the 8th day of March, next at nine of the clock in the forenoon, to act upon the following subjects: BUSINESS MEETING STARTS AT 7:30 P.M.

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see if the Town will vote to accept the budget as posted.
4. To see if the Town will vote to allow the Selectmen to sell property on tax titles.
5. To see if the Town will vote to allow the Selectmen to borrow money in anticipation of taxes.
6. To see if a discount of 3% will be allowed on taxes paid on or before the first of October or a later date to be set by the Selectmen.
7. To see if the Town will vote to allow the Tax Collector to receive part payments of taxes in any year in the sum of Ten Dollars or a multiple of ten.
8. To see if the Town will vote to authorize the Selectmen to apply for, receive and expend Federal Funds in cases of emergency.
9. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of Federal Funds coming.
10. To see if the Town will vote to authorize the use of an additional \$5,000.00 of Federal Revenue Sharing Funds for the reconstruction of Mirror Lake Road.
11. To see if the Town will vote to expend \$3,000.00 of Federal

Revenue Sharing Funds to pave the 1976 reconstructed portion of Mirror Lake Road.

12. To see if the Town will vote to authorize the Selectmen to expend \$27,000.00 of Federal Revenue Sharing Funds to construct a Town Garage.
13. To see if the Town will vote to authorize the Selectmen to expend \$10,000.00 of Town funds towards the Town garage construction.
14. To see if the Town will appropriate \$2,000.00 to establish a Capital Reserve Fund for River Bank stabilization.
15. To see if the Town will vote to establish a \$900.00 Capital Reserve Fund for Police cruiser replacement, using the income realized from the Forest Service patrol of Russell Pond.
16. To see if the Town will vote to establish the unexpended balance of the 1976 perambulate town line appropriation as a \$500.00 Capital Reserve Fund, the funds to be withdrawn from savings to establish the same.
17. To see if the Town will vote to establish a Capital Reserve Fund of \$750.00 for Bicentennial purposes; the funds to be withdrawn from savings to establish the same.
18. To see if the Town will vote to establish a \$2,400.00 Capital Reserve Fund for the purchase of Dry Hydrants; the funds to be withdrawn from savings to establish the same.
19. To see if the Town will vote to establish a \$25,000.00 Solid Waste Disposal Capital Reserve Fund; the funds to be withdrawn from savings to establish the same.
20. To see if the town will vote to establish a \$2,000.00 School Building Capital Reserve Fund; the funds to be withdrawn from savings to establish the same.
21. To see if the Town will vote to expend \$143.00 Antirecession monies towards the purchase of a new door for the Town Hall.
22. To see if the Town will vote to authorize the Selectmen to contract for the construction of additions to the municipal water supply and distribution system.

23. To authorize the Selectmen to apply for, negotiate and do all other things necessary to obtain and expend such Federal Funds or other assistance as may be available, and pass any vote relating thereto.
24. To see if the Town will go on record as recommending to the U.S. Forest Service that the Tripoli Road be preserved as a gravel road in its present location.
25. To see if the Town will vote to discontinue maintenance of the Major Cronin Road subject to Gates and Bars.
26. To see if the Town will vote to discontinue maintenance of the Avery Farm Road subject to Gates and Bars.
27. To see if the Town will vote to accept the Mirror Lake Access Road as a Town road.
28. To authorize the Selectmen to request a reappraisal of all Town properties; appropriating \$8,000.00 towards the same.
29. To authorize the Selectmen to request an audit by the Municipal Accounting Division of the State of New Hampshire.
30. To see if the Town will vote to rescind the unexpended balance of the Bridge Bond authorization. (\$39,150.19)
31. To see if the Town will vote to relocate the Municipal Skating Rink.
32. To see if the Town will vote to authorize the Selectmen to accept the Mirror Lake Beach as Town property.
33. To see if the Town will authorize the Selectmen to negotiate for; accept and expend matching funds ;—90% Soil Conservation Service Funds;—10% Town Funds to stabilize the riverbank along Lost River from the William Duguay property to the Clyde Ramsey property line; or a portion thereof.
34. To see if the Town will authorize the Selectmen to negotiate for; accept and expend any Federal Funds or other assistance as may be available for a Riverbank Stabilization program along the Pemigewasset River at the Curtis property or Welsh property; or along the Lost River at the Daniel Barry property or Coutts-Parker-Bisson-Barker-Caulder properties.

35. To transact any other business that may come legally before the meeting.

Given under our hands and seal, this 18th day of February, in the year of our Lord nineteen hundred and seventy seven.

BONNIE HAM  
ROBERT M. KEATING  
NORMAN B. FADDEN  
*Selectmen of Woodstock*

A true copy of Warrant—Attest:

## REPORT OF TOWN FOREST FIRE WARDEN AND DISTRICT FIRE CHIEF

---

Since its beginning in 1893, the State Forestry Department has recognized the fact that forest fire prevention and suppression is a joint state and town or city responsibility. Local authorities recommend names of persons to the State Forester, who appoints one person as town or city fire warden and several other persons as town or city deputy fire wardens to a three year term.

The local forest fire warden controls the kindling of all outside fires, when the ground is not covered with snow, by issuing a written permit for kindling a fire. Permits are only issued at such times and in such places as the fire warden deems as safe.

The State Forest Fire Service trains the local forest fire organization in modern forest fire prevention and suppression tactics. The State also provides backup personnel and equipment for suppression and prevention activities.

The combination of State and local forces has resulted in one of the smallest acreage loss due to forest fires in the United States for the past 20 years.

## FOREST FIRE WARDEN'S REPORT TOWN OF WOODSTOCK

-----

You will find a report from the District Fire Chief of the Forest Service of New Hampshire. It shows that we in Woodstock did not have any reportable Forest Fires in 1976. It is partly due to the fact that somewhere along the way you citizens were careful with the burning you have to do.

This may be my last report to the Citizens of Woodstock. The state now holds that anyone that comes 70 years of age is not able to carry on the work of Town Forest Fire Warden. It does call for sometimes walking some long hikes into the woods. Anyway, 1978 you will have a new Forest Fire Warden. I have been with the Forest Fire Service some Fifty Years and have seen many changes in the work. It is something that every man, be it Warden or Deputy Warden, should know the laws and how to go about the work.

DEPUTY WARDENS William Mellett; James H. Fadden, Sr.; Kenneth Welsh; William Albrecht.

Town Forest Fire Warden.

## POLICE DEPARTMENT REPORT

---

In 1976 the Woodstock Police Department investigated 509 recorded complaints. These included cases involving stolen motor vehicles, theft of services, bad checks, criminal mischief, selling and storing fireworks.

Twenty two private homes were burglarized, ten of which have been marked closed after the arrest of one or more persons.

There were sixty one misdemeanor and felony arrests made in 1976 which included possession of controlled drugs, being knowingly present, reckless conduct, concealment of merchandise, criminal mischief, and theft.

There were 199 Motor Vehicle complaints, 17 of which were for driving under the influence.

The Department investigated 67 motor vehicle accidents, with two fatalities.

At the March, 1976 Town Meeting it was voted to keep the 1974 Plymouth cruiser for use in patrolling Russell Pond and the Tripoli Road area. This patrol is conducted under the Cooperative Law Enforcement Agreement between the Town of Woodstock and the U.S. Forest Service. This patrol is entirely paid for by the Forest Service with no cost to the Town. The financial statement following this report shows that after expenses, the total cash on hand is \$935.56.

Peter K. Bartholomew has been appointed as a full time Police Officer, to fill the position of Wallace Peltier, who resigned November 15, 1976 to take the Chief's position in Lincoln. Officer Bartholomew will be attending the Police Training Academy for six weeks starting in April of 1977.

In order to better serve the Community in all aspects of Law Enforcement, members of the Department attend many Training sessions and seminars during the year. This enables us to further our knowledge in various fields of Police procedures.

I feel that each citizen of our Town should share in the responsibility of Crime prevention. During the past year, over 400 Doors and Windows at various places of Business were inadvertently left unlocked after the close of business for the day. If

each owner would determine that his establishment was secure for the night, this would be a deterrent to a possible burglary.

The Woodstock Police Department wishes to thank the people of Woodstock for their fine cooperation and support which enables us to be more efficient in performing our job of enforcing the law.

The men of the Woodstock Police Department would like to thank the members of the Lin-Wood C B Club for the C B Radio for the Cruiser and for their fine cooperation since the radio was installed.

Respectfully submitted,

JOHN MAYNARD

*Chief of Police*

*Woodstock Police Dept.*

**NEW HAMPSHIRE HUMANE SOCIETY**  
**Laconia, N.H.**

-----

Office of the Selectmen  
 Town of Woodstock  
 Woodstock, N.H. 03293

Gentlemen:

Here are the totals on the number of animals from the Town of Woodstock brought to the N.H. Humane Society Shelter during the year 1976.

By your Animal Control Officer:

Dogs and pups	3
Cats and kittens	1
	4
Total	

By Woodstock residents:

Dogs and pups	20
Cats and kittens	9
	29
Total	

Total number of dogs, pups, cats and kittens from the Town of Woodstock	33
--	----

Am enclosing copies of the report on all towns that used the Shelter facilities and services in 1976.

Every town has stray and animal problems. We encourage the Town of Woodstock and especially the animal control officers to use our services more in 1977. The new addition will soon be open providing additional space for stray animals.

Sincerely,

**FRITZ T. SABBOW**  
*Executive Director*

**TOWN OF WOODSTOCK, N.H.**  
**Town Report for 1976 from**  
**North Country Council, Inc.**

-----

The Council assisted the town in preparing its application for \$370,000 for extension of the sewer line on the Lost River Road under the Local Public Works Act. The Council provided technical assistance with the HUD community development pre-application for continued assistance for water improvements. Information on a comprehensive plan, solid waste, and how to administer a community questionnaire was also provided. Council representatives met with local officials on six occasions. The Council assisted the N.H. Public Utilities Commission in preparing an application for Economic Development Administration funds which are being used to improve the Concord-to-Lincoln rail line.

On a regional level, North Country Council, Inc. completed the Overall Economic Development Program, a blueprint for increasing the region's economic potential. The Council assisted several communities in making progress with the development of their Industrial Parks, projects which will benefit residents of adjacent communities. With the passage of the Local Public Works Act of 1976, the Council provided some form of technical assistance to 25 potential grant applicants. A wood utilization project is investigating how forest products, the region's most important natural resource, can be used more advantageously to the region's benefit. Word was received in late 1976 that the Federal Highway Administration approved the Public Transportation Demonstration project.

On a community planning level, in addition to local technical services, the Council prepared a report entitled "Model Subdivision Regulations" as a guide for local planning boards. A series of four lectures on planning board activities was sponsored in the spring; the Council co-sponsored a series of five municipal law lectures in September and October. Both were well attended. "Guidelines for Municipal Tax Mapping" provides communities with information on what to look for when preparing a tax map.

*Planning News*, the Council's quarterly newsletter, disseminates useful information on community planning, economic

development, state legislation, court decisions, and general activities to interested persons in town. A town resident can be placed on the mailing list by contacting the town's NCC representative or the Council office in Franconia, N.H., at 823-8108.

In helping communities with their planning, the Council attends approximately 200 night meetings a year.

In 1977, the Council will continue to provide community planning services to member municipalities. The Council will complete work on a Land Use Program and Housing Program in 1977. Efforts to help communities with economic development will continue. The Council's Economic Development Committee will be investigating the probable impact of the lessening of energy supplies for the North Country and how the Council can assist through the community and regional planning process.

The Council sincerely appreciates and thanks the town for its support and participation. The support and participation of the town has enabled the Council to provide an impressive package of local and regional services.

Respectfully submitted,

BONNIE HAM  
CAROL ANN MUELLER  
CHARLES HARRINGTON

*NCC Representatives*

GIC/jjh

## **NORTH COUNTRY HOME HEALTH AGENCY, INC.**

---

North Country Home Health Agency provides the following services to the participating towns:

**Skilled Nursing Care** for: care of the chronically ill; short term care following hospitalization, or acute care in place of hospitalization; visits to newborns and mothers; diet and nutrition teaching; prevention, intervention and control of disease.

**Homemaker/Home Health Aide** services: maintenance of a patient in his own environment as long as possible through assistance with personal care; ancillary nursing procedures; assistance with meal preparation and light housekeeping.

**Physical Therapy** services by a Registered Physical Therapist to homebound patients.

**Public Health** activities aimed at prevention of disease.

During 1976 these services were provided through:

6545 Skilled Nursing Care visits— 30% increase

3285 Home Health Aide Visits

2667 hours of Homemaker service—a 25% increase in these two categories

31 Physical Therapy visits—an increase from 4 in 1975

**Public Health** activities included:

15 immunization clinics for pre-school children

9 well-child clinics providing physical exams for pre-school children of low income families. Follow-ups are made by this office.

6 dental screening clinics for pre-school children, with follow-ups and referrals done by this office.

4 orthopedic clinics held at Littleton Hospital for all area residents under 18.

1 expectant parents course.

1 diabetic teaching course in cooperation with other organizations

6 "Swine" flu vaccination clinics for all adults in the 15 towns served, as mandated by the State.

This Agency is approved by Medicare and the New Hampshire Department of Public Health as a certified provider of Home Care services. The Board of Directors is composed of volunteer members representing the towns served. It is a non-profit agency and all monies received are returned in direct services to the residents of the 15 towns.

**Services Provided to Residents of Woodstock**

427 Skilled Nursing Care visits; 38 Home Health Aide visits; 50 hours of Homemaker service; 74 Health Promotion/Assessment visits. Woodstock residents may attend any of the clinics held in any area.

**MOOSILAUKE PUBLIC LIBRARY****Annual Report — 1976**  
-----

During 1976, the Moosilauke Public Library had another very busy and active year. The interior of the library has been nicely refurbished with carpeting very generously donated by Mr. and Mrs. Duncan Riley. A used but colorful card catalogue was purchased and repainted along with several items of library furniture. An excellent year-long, rotating doll collection was graciously lent and displayed by Carol Frost and there were also several hand-crafted school projects on display that attested to terrific creativity on the part of our children. In short, the library has physically improved and is a warm, inviting place for our patrons to enjoy.

Assisted by a grant from the New Hampshire Commission on the Arts, the library invited Mr. Pepi Herrmann, a noted Austrian crystal engraver, to speak to a very interested March audience, some of whom came from Littleton for the evening presentation. This year, the library has received a doubled grant from the Commission in the amount of two hundred dollars which will be used for the continuation of our film program and more presentations from New Hampshire craftsmen.

The library was very deeply grieved by the loss of our Friends of the Library Chairman, Mr. Ladd Osgood, who had done so much to help revitalize the library. Ladd was instrumental in writing our grant proposals, helping in all our fund-raising efforts, besides being an active, enthusiastic supporter of all library projects. Ladd was larger than life and he is deeply missed. The library has donated several books in his memory.

In June, the library held a "Publication Party" for the Woodstock Bicentennial Pictorial and was presented with the first copy of this wonderful local history along with the framed original of the signature page. Many copies continued to be sold throughout the year at the library. The librarian also donated a new '76 American flag to the library. In August, the library once again had its tables at the fair on the Common and was very successful at this booksale. Also during the summer, Miss Barbara Hooker, a Plymouth State College student and local resident, organized and ran a highly successful story hour program for children. Barbie even took our young patrons "panning for

gold" in Gordon Pond Brook, and held activities at the Cascades and on the Common. As part of the summer reading program, the library sponsored a reading contest for approximately thirty children which was very competitive and rewarding.

In September, our free film program started off with the two-week series, *Tom Brown's School Days*, followed by a six-week series, *The Six Wives of Henry VIII*. Both were excellent recreations of historical interest. In December, the library showed a travel film on hiking and mountain climbing in New Hampshire and Alaska made by our local outdoor enthusiast, Dave Tibbetts; the State Library has expressed interest in purchasing the film for its film collection. The library also loaned films to the Masons and the Boy Scouts from the State Library. Because of such a large turnout for the film *20,000 Leagues Under the Sea* last February, the library will again endeavor to sponsor several popular films during 1977. The librarian, as a delegate to the State Library Film Purchasing Committee, assisted in the preview, selection and acquisition of one hundred and four new films for the State's film collection under a \$25,000 federal libraries' grant. A video tape was also produced this fall by local children based on an original skit created by them. Equipment was generously loaned by Plymouth State College.

The library was also much saddened by the passing this December of Thelma Joy, who served from 1952 to 1974 as a devoted librarian providing loyal hours of generous library service to our community. Gifts have been donated by the Quest Club and by the library in memory of her true, kind spirit.

Mr. Ervin A. Tappan, a former North Woodstock resident, has again given the library a very kind donation of one hundred dollars in memory of his wife, Hester Stiles Tappan. Mr. and Mrs. Charles Spaulding have continued our subscriptions to National Wildlife and Smithsonian magazines and the Quest Club has again donated Cricket magazine for the schoolchildren. These donations and gifts go a long way in a small library and are very much appreciated for the spirit with which they were given.

We encourage all our townspeople to stop in and see our increased collection of new books. We are always ready to try and answer reference questions and we have the prompt services of

the State Library as further aid. The library looks forward to 1977 as a year for continued growth and progress.

**WOODSTOCK CONSERVATION COMMISSION**  
**Annual Report**  
**1976**

---

The Commission has continued to oversee the Mirror Lake Public Beach. Provision was made for trash collection, a request to repair several large pot-holes was discussed with the Superintendent of Public Works and it was noted that the beach will require the addition of new sand next year.

Future protection of the beach and lake remain a valid concern of the Commission and, in our opinion, town ownership of the beach would ensure preservation of this natural resource for the recreational use of local residents.

Proposed guidelines for the management of Mirror Lake Beach by the Town of Woodstock were formulated by the Commission and, following review and approval by the selectmen and attorney Peter Smith, were submitted to the owner of the property for his consideration. Although our proposal for the management of the beach under town ownership was generally acceptable, the owner has not, as yet, agreed to the transfer of the property to the town.

The Commission remained actively involved in the citizen-participation process of the Environmental Impact Study conducted on I-93—Franconia Notch. Following review of the alternatives presented in the Draft Environmental Impact Statement, we concluded that a 2-lane, upgraded highway should be recommended for construction in the Notch and, as such, we were strongly opposed to any further 4-lane road construction from the present end of I-93.

The Commission submitted a written statement of its position to the N.H. Dept. of Public Works and Highways for inclusion in the official record, as well as having the chairman, Mrs. McGoldrick, testify at the final Public Hearing in Littleton on November 17th.

It has been a busy year and the Commission members have attended many meetings and workshops held throughout the region and state. Of timely interest were several energy workshops which presented an excellent overview of what is be-

ing done in the field of energy conservation and alternate sources of energy. A really unique workshop was the "Clean Water Special" train ride from Laconia to Lincoln with stops along the route to inspect and learn what had been accomplished to improve the water quality of N.H.'s lakes, rivers and streams. Riding the train through Woodstock and the Pemi Valley for the first time was a memorable experience.

Mr. Fred Brown and Mrs. Joan McGoldrick attended the annual meeting of the N.H. Association of Conservation Commissions in November. At the meeting, Mrs. McGoldrick was elected 1st Vice-President of the NHACC for a 2-year term, having served as 2nd Vice-President this past year.

During the year, the Commission reviewed, with no objections, all dredge and fill applications submitted to the town.

In December, the Commission became involved in the Forest Service Study of the Land Management Plan of the Waterville unit of the WMNF. One proposal which was of particular concern to Woodstock was to pave and upgrade the Tripoli Road to a scenic highway. There was unanimous opposition to this proposal by the members of the Commission as we felt it would not be in the best interests of the Forest or Tripoli Road, environmentally, and that to by-pass Route 3 would not enhance the economic well-being of the Town of Woodstock.

We accepted with regret the resignation of Mrs. Isabell Willey from the Commission this fall. Mrs. Willey was appointed when the Commission was formed in 1969 and a great amount of credit must be given to her for the organization and establishment of the Commission. She also served as Treasurer until recently. We offer her our thanks and appreciation for her years of service.

We would like to thank the Selectmen and all town officials for their cooperation and support throughout the year.

Respectfully Submitted,  
JOAN MCGOLDRICK,  
*Chairman*

FRED H. BROWN, *Vice Chairman*

LUCY LEE, *Secretary*

ERNEST SIMPSON, *Planning Board*

## **REPORT OF THE WOODSTOCK PLANNING BOARD YEAR 1976**

---

The Planning Board welcomed as alternate members to the Board—David Wyre, Kenneth Chapman and Daniel Barry who was replaced by Malcolm Mackay as a full member, replacing Charles Harrington who resigned.

The Planning Board held a number of meetings during 1976 to discuss sub-division matters which all were approved.

A survey was conducted in 1976 to get an idea as to what residents/tax payers/tenants/non-resident tax payers would wish for the future of the Town of Woodstock. Some 600 odd queries were mailed with approximately 110 replies. Carol Frost and Pierce Barker did a fantastic job of computerizing the results and as soon as the Board has the opportunity to discuss the results, a reply to those who have asked for the results of the survey will be sent them.

Our thanks to the North Country Council for their help and cooperation in making and printing of the questionnaires at only the cost of the paper, also to Carol Frost and Pierce Barker for the tremendous job in computing the results of the questionnaire, many hours were put into their work.

Respectfully submitted,

ERNEST SIMPSON

### Births Registered in the Town of Woodstock, N.H. for the Year Ending Dec. 31, 1976

Date of Birth	Place of Birth	Name of Child (if any)	Sex	Color	Name of Father	Maiden Name of Mother	Color of Parents	Residence of Parents	Birthplace of Father	Birthplace of Mother
